DECIDES:

To stipulate: PRESIDENTIAL REGULATION OF THE REPUBLIC OF INDONESIA ON LIST OF BUSINESS FIELDS CLOSED TO INVESTMENT AND BUSINESS FIELDS OPEN, WITH CONDITIONS, TO INVESTMENT

Article 1

- (1) Closed business fields are certain business fields that are prohibited from conducting any investment activities.
- (2) The list of closed business fields as referred to in paragraph (1) are as set out in Appendix I of this Presidential Regulation.

Article 2

- (1) Business fields open, with conditions, are certain business fields that may conduct investment activities under certain requirements, that is, licensed businesses reserved for Micro, Small and Medium Enterprises and Cooperatives, licensed businesses requiring establishment under a partnership, licensed businesses requiring certain capital ownership, licensed businesses requiring a certain location, and licensed businesses requiring special permits.
- (2) The list of business fields open, with conditions, as referred to in paragraph (1) shall be as set out in Appendix II of this Presidential Regulation.

Article 3

- (1) Investment in business fields open, with conditions, as referred to in Article 2 must meet requirements of location as provided herein and meet regulations applicable in spatial and environment sectors.
- (2) In the case of locations of business for a investment license as referred to in paragraph (1) it has been determined that the investor is willing to extend his business by engaging in the same business activities outside the location determined in the investment license, then the investment shall meet the requirements of location as referred to in paragraph (1).

- (3) In order to meet the requirements of location as referred to in paragraph (2), investors are not obliged to establish new business entities or obtain new business licenses, except where otherwise stipulated by Law,

Article 4

Provisions as referred to in Articles 1 and 2 shall not be applicable for non-direct investment, or whose portfolio transaction is made through a domestic capital market.

Article 5

In the event that a change occurs to the capital ownership resulting from a merger, acquisition, or amalgamation of a company engaged in the same business field, the following requirements shall apply:

- a. A limitation of capital ownership from a foreign investment in the merging company shall be as set out in the approval letter of the company.
- b. A limitation of capital ownership from a foreign investment in the acquiring company shall be as set out in the approval letter of the company.
- c. A limitation of capital ownership from a foreign investment in a new company resulting from an amalgamation shall be in compliance with the provisions applied when the new company was formed from that amalgamation.

Article 6

- (1) In the event that a foreign investor expands his business activities in the same business sector and the expansion of his business activities requires additional capital through a *rights issue* and domestic investors are unable to participate in the said additional capital, then requirements of right issues will be applied for domestic investment, in accordance with the laws and regulations in the sector of a limited liability company.
- (2) In the event additional capital, as referred to in paragraph (1) results in total ownership of foreign capital to exceed the maximum limit set out in the Approval Letter, then within a period of two (2) years, the exceeding

total ownership of foreign capital investment may be adjusted from the minimum limit included in the approval letter, by means of:

- a. the foreign investor sells the excess of shares in good will to domestic investor;
- b. the foreign investor sells the excess of shares through a general tender conducted by a company whose shares are owned by the foreign investor in a domestic capital market; or
- c. the company, as referred to in paragraph (2) sub-paragraph b, purchases the excess shares owned by the foreign investor and treats the shares as *treasury stocks*, subject to Article 37 of Law Number 40 of 2007 on Limited Liability Company.

Article 7

Provisions of this Presidential Regulation shall not pressure the obligation of an investor to comply with terms and conditions in conducting business activities issued by:

- a. Ministry/Non-Ministry Governmental Institutions which are technically authorized as to the scope of the investment; and
- b. Regional Regulation

Article 8

Provisions as referred to in Articles 1 and 2 herein shall not be applicable for an investment approved in certain sectors prior to the stipulation of this Presidential Regulation as included in the Approval Letter, except if such provisions are more beneficial to the referred investment.

Article 9

When this Presidential Regulation comes into effect, any laws and regulations subordinate to this Presidential Regulation shall remain applicable to the extent that they are not contradictory to this Presidential Regulation.

Article 10

When this Presidential Regulation comes into effect, implementing regulation of Presidential Regulation Number 77 of 2007 on List of Business Fields Closed to

Investment and Business Fields Open, with Conditions, to Investment as amended by Presidential Regulation Number 111 of 2007, shall remain applicable to the extent that it is not contradictory and has not been regulated with a new implementing regulation based on this Presidential Regulation:

Article 11

With the enforcement of this Presidential Regulation, Presidential Regulation Number 77 of 2007 on List of Business Fields Closed to Investment and Business Fields Open, with Conditions, to Investment as amended by Presidential Regulation Number 111 of 2007 shall be revoked and declared as no longer applicable.

Article 12

This Regulation shall come into force as of the stipulation date.

Stipulated in Jakarta

On the date of 25 May 2010
